

RETURN TO SKATEBOARDING GUIDELINES

We are implementing the guidelines below for a safe return of participants and staff to our skateboarding program at the Bamford Skatepark, Town of Davie, Florida. These guidelines are derived from publicly available sources and are subject to updates.

1. **Waiver:** A waiver for the skatepark and a waiver for All Out Skate Inc. will be required to participate in our program. The signed waivers are required prior to the skaters engaging in the program.
2. **Screening:** We'll ask all parents to screen their child prior to attending our program. The following CDC recommendations should be followed:

Stay at home if you are feeling sick or exhibiting any symptoms of COVID-19. People with COVID-19 have had a wide range of symptoms, ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with the following symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

The above list is not all possible symptoms. For more information and to keep updated, we'll refer to:

3. General Guidelines:

- Clean and disinfect equipment frequently
- Wash hands with disinfectant soap and water (for 20 seconds or longer), or use a hand sanitizer if soap and water are readily available, before going into the skatepark
- Skaters should use their own equipment. No sharing of equipment, including water bottles
- Please do not bring your bag into the skatepark
- Please do not touch or physically greet any other skaters or instructors
- All staff will take appropriate precautions, including taking non-touch temperature readings of the participants. Anyone whose temperature is about 100.4⁰ F will not be allowed to participate
- Skate instructors will direct skaters in skill building drills, while staying at least 6ft from anyone and designing drills where the kids are 6ft from each other as much as possible
- Avoid touching the skatepark gates, fence, ramps, etc. if you can
- Participants are recommended to take extra precautions such as wearing masks and gloves
- Remain apart from other skaters when taking a break
- Spectators are recommended to not be inside the skatepark during the activity
- After the session, leave the skatepark as soon as reasonably possible
- No extra-curricular or social activity should take place. No congregation after the activity
